

Clergy & Laypeople Collaborate to Confront Clericalism

- *Pope Francis has condemned clericalism, repeatedly.*
- *Catholic commentators decry it.*
- *Theologians and church historians examine its roots.*

Now, in a significant collaboration, the Association of U.S. Catholic Priests and Voice of the Faithful have examined the ways clericalism emerges from the clerical culture, generating complex problems for the Catholic Church—and they suggest ways to combat it.

Read *Confronting the Systemic Dysfunction of Clericalism* online at www.votf.org and order copies by contacting AUSCP's Kevin Clinton, kevin@kevindome.com, or VOTF's Donna Doucette, dbdoucette@votf.org.
