

## S-T-R-E-T-C-H Your Christmas Gift to VOTF!

---

If you are making a Christmas or year-end donation to Voice of the Faithful®, you have an opportunity to stretch your generosity by 3%. Just make your [donation online](#) between Dec. 17 and Dec. 21, and our WebLink vendor will match 3% of that gift.

The generosity is in response to a technical glitch our vendor encountered on Dec. 2. To make up for any missed donations that day, Donorperfect, VOTF's WebLink vendor for all online donation transactions, is offering a "5 Days of Giving Back" program. They will match 3% of all donations made through the [VOTF WebLink page](#), up to an aggregate gift of \$10,000.

**This program starts at midnight Eastern Standard Time on Wednesday, Dec. 17, and ends at midnight EST on Sunday, Dec. 21.** All donations made through the [VOTF WebLink page](#) form during this time will be tallied by Donorperfect, which will then add 3% to the total donation amount. (Please note, the donation **must** be made online because that's where the glitch occurred.)

We value each of our donors and any donation in whatever amount. Your commitment to VOTF allows us to advance our mission. We promise to honor your support by working diligently on our goals—to support clergy sexual abuse survivors, to support priests of integrity, and to shape structural change within the Catholic Church.

If you are near a computer between midnight EST on Wednesday, Dec. 17, and midnight EST on Sunday, Dec. 21, [CLICK HERE](#), donate to VOTF, and stretch your donation through Donorperfect's matching gift fund.

Thank you for your continued support.
